MEMORANDUM FOR: Director of Central Intelligence

FROM: Herbert E. Hetu  
Assistant to the Director  
(Public Affairs)

SUBJECT: Ted Koppel, ABC News

1. Ted Koppel of ABC News Washington bureau called to say he knows you well and would like to come in for a chat. He has been out of circulation for almost a year taking care of the house and other things while his wife attended Georgetown Law School. He is re-establishing himself on the Washington scene.

2. I don't really think it is productive for you to see him for just a "chat" unless you feel otherwise.

Admiral Stansfield Turner  
Director of Central Intelligence  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Admiral Turner:

The Young Presidents' Organization is conducting a National Conference on Government in Washington October 12 to October 16, 1977. We request that you be part of the program between the hours of 2:30 p. m. to 4:00 p. m. on Friday, October 14, 1977.

The Young Presidents' Organization is an active, influential, accomplishing group of young advancing successful executives under the age of 50.

The Conference will be limited to 150 out of a worldwide membership of 3800. The program in its entirety is intended to increase the effectiveness between YPO individuals and Government. The list of YPO'ers who have served in Government includes Lance, Callaway, Brinegar, Sheehan, Blount, McLucas, Peterson et al.

Attached is a tentative program which provides an idea of the quality of resources that we are obtaining. The session for which you are invited is intended to provide our members with your insight into the activities of the CIA and your insight and possibly the insight of your staff members as to relations with China and Russia. We are hopeful that the CIA auditorium could be used for your session. With members and wives there would be approximately 300 in attendance.

YPO sessions are always private and the content of any resource's remarks are never allowed to be used in public and therefore are held confidential.

You will be an important part of our program and we would appreciate an early response as to your availability.

Sincerely yours,

*Werner H. Quasebarth*
